Staging test guide

Follow the parts in order. Tick each box when it works. Write down anything that does not.

00 BEFORE YOU START

Website	staging.bicoloragonscruteneeringsystem.com. If a box asks for a username and password first, enter the staging ones.
Staff sign-in	Add /staff-access to the end of the website address. This page is not linked anywhere.
You need	A laptop, a phone with an authenticator app, and three more phones for the adjudicators (or three private browser windows).
One person, one window	Open each person in their own private window, so signing in as one does not sign out another.
Fake names only	Anyone with the address can see staging. Never use real people.

Names to use

What	Use
Competition	BIS Staging Test Open, today's date
Teams	Test Team Alpha and Test Team Bravo
Coaches	Test Coach One and Test Coach Two
Couples	8 couples, Test Dancer 01 and Test Partner 01 up to number 08 (the file test-competitors.csv has them)
Event	Test Youth Standard, with all 8 couples. Later, a small second event with 2 couples.
Adjudicators	Test Adjudicator A, B and C
Emails	Made-up ones, such as athlete.test@example.com. No email is sent, so they do not need to be real.

01 SIGN IN AND SET UP (ADMIN)

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Anyone	Open the home page.	The top banner and "how to join" show. Both event sections say nothing has been added.	
2	Admin	Sign in at /staff-access and choose a new password.	You arrive on Competitions.	
3	Admin	Open Security and turn on the two-step code. Scan the QR code with your phone.	Two-step shows as on.	
4	Admin	Sign out and sign in again.	It asks for your password, then the code from your phone.	
5	Admin	Open Fees and payment details. Check the fees, add GCash, Maya and bank details, and save.	Saved. Teams cannot enter events until this is done.	
6	Admin	Open Staff accounts. Add a Secretariat, Scrutineer, Chairperson and MC.	Each gets a temporary password, shown once. Copy it.	
7	Each staff person	Sign in at /staff-access and change the password.	Each one reaches their own screens.	

02 COMPETITION AND ADJUDICATORS (ADMIN)

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Admin	Open Competitions and add the competition. A photo is required.	It cannot be saved without the photo.	
2	Anyone	Reload the home page.	The competition now shows.	
3	Admin	Open Adjudicators and panels. Add adjudicators A, B and C.	Three adjudicators are listed.	

03 EVENTS, TEAMS AND COUPLES (SECRETARIAT)

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Secretariat	Open Events and add Test Youth Standard.	The event is listed.	
2	Admin	Open Adjudicators and panels and choose A, B and C for that event.	The panel is saved.	
3	Secretariat	Open Teams and add the two teams. Open Coaches and add the two coaches.	All four are listed.	
4	Secretariat	Open Competitors and add one couple by hand. Try leaving a required box empty first.	It warns you, then saves once complete.	
5	Secretariat	Press Import CSV and choose test-competitors.csv.	It says how many couples were added.	
6	Secretariat	Press Assign back numbers.	Every couple has a number.	

04 ATHLETE, COACH AND TEAM ACCOUNTS

Use a separate window or phone for each person.

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Athlete	Press Sign in, choose Athlete and create an account. Fill in your details.	The account is made and the details save.	
2	Athlete	Open Membership. Say how you paid and send the payment.	It says "Waiting for the secretariat".	
3	Secretariat	Open Athletes. Confirm that payment. Send another and turn it down with a reason.	Confirmed: membership recorded. Turned down: the athlete sees the reason.	
4	Athlete	Watch your own window.	A pop-up and a sound for each decision.	
5	Coach and Team	Create an account each. Ask to link to Test Coach One and Test Team Alpha.	Both show as waiting.	
6	Secretariat	Open Account links. Approve the coach. Turn the team down, then let it ask again and approve.	Linked accounts now see their dancers.	
7	Athlete	Ask to change team or coach.	The change waits for approval.	
8	Secretariat	Open Team and coach changes. Approve one and turn one down.	Until approved, the old team stays.	

05 ENTRIES AND PAYMENTS

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Secretariat	On Competitors, press Enter in events for a couple. Tick the event. Choose Not paid yet.	The fee shows. Red notes warn but do not stop you.	
2	Secretariat	Enter another couple and choose Cash.	Shown as paid.	
3	Team	Open Enter events. Pick a dancer and the event, attach a payment screenshot and send.	It shows as waiting.	
4	Secretariat	Watch your window as the team sends.	A pop-up and a sound.	
5	Secretariat	Open Entry requests. Look at the screenshot and approve.	The couple is entered and the payment recorded.	
6	Athlete	Send an entry for yourself. Secretariat turns it down with a reason. Fix it and send again.	You see the reason, then the approval.	
7	Team	Send the same event again.	It is refused.	
8	Secretariat	Open Late entries and mark any unpaid payment as paid in cash.	Shown as paid.	
9	Admin	Open Payments.	Each team's payments are listed, with who recorded them.	
10	Secretariat	Check all 8 couples are entered and paid.	No unpaid entries. A round will not start with one.	

06 SCHEDULE AND PUBLIC PAGES

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Secretariat	Open Schedule and put the events in order. Open Program and set the times.	Both save.	
2	Anyone, on a phone	Open the competition page, its program, Athletes and Rankings.	Everything is readable and fits the screen.	

07 BEFORE THE FIRST ROUND

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Admin	Open Adjudicators and panels. Make the PINs.	Each adjudicator has a six-digit PIN.	
2	Admin	Press Print PIN cards.	One card each, with the PIN and a QR code.	
3	Scrutineer	Open Rounds and press Plan rounds.	The event now has its rounds.	
4	Scrutineer	Open Heats and check who dances in each.	Heats are listed.	
5	Admin and Scrutineer	Look at the top of the screen.	No warning about backups.	

08 COMPETITION DAY

Scrutineer and Chairperson on laptops, MC on another, three adjudicators on phones.

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Adjudicators	Type the PIN on the phone, or scan the QR code.	"Waiting for the next round".	
2	Scrutineer	Open Rounds and press Start round.	The round appears on all three phones.	
3	Adjudicators	Mark an X for exactly the number of couples shown. Try marking too many.	A warning shows. You cannot send too many.	
4	Adjudicators	Press Submit, sign with a finger, then Confirm.	"Submitted". It cannot be changed.	
5	Scrutineer, Chairperson	Watch the Live board.	Each phone goes from waiting to marking to submitted.	
6	Scrutineer	Open Recall. Check the marks. If there is a tie, press Propose decision.	The round waits for the chairperson.	
7	Chairperson	Press Confirm tie decision. Try to start, approve or publish.	You can confirm, but cannot start, approve or publish.	
8	Scrutineer	Start the next round. Repeat until the final.	Each round appears on the phones.	
9	Adjudicators	In the final, place every couple, first to last, in each dance. Submit and confirm.	The counter shows how many are placed.	
10	Scrutineer	Open Results. If two couples tie, propose a decision. The chairperson confirms.	Approving is blocked until a tie is decided.	
11	Scrutineer	Press Approve results, then Publish results.	The result is saved and made public.	
12	MC	Use Next announcement and Previous announcement.	Places in large type, last place first.	
13	Anyone	Open the event, Rankings and a couple's page.	Results and points are there.	
14	Athlete, Coach, Team	Open Results.	Each sees only their own dancers.	

09 WHEN THINGS GO WRONG

Use the small second event so the main result stays clean.

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Secretariat, Scrutineer	Enter one couple as Not paid yet. Try Start round. Then mark it paid and try again.	Refused first, with the number unpaid. Starts once paid.	
2	Scrutineer	Start a round, then press Take off the floor.	It leaves the phones. This stops working once a phone has submitted.	
3	Adjudicator	Turn on airplane mode while marking, press Confirm, then turn it off.	The phone keeps the marks and sends them when it is back online.	
4	Scrutineer	Watch the Live board during that test.	It says the marks are on the phone, not sent.	
5	Adjudicator	Close the browser and open it again during a round.	Your marks are still there.	
6	Scrutineer	Open Paper marks and type in one adjudicator's paper sheet.	That adjudicator shows as submitted.	

#	WHO	DO THIS	YOU SHOULD SEE	OK
7	Admin	Make a new PIN for one adjudicator.	That phone is signed out at once. The old PIN stops working.	
8	Admin	Open Security and use Sign out everywhere on a test account.	That person must sign in again.	

10 AFTER THE COMPETITION

#	WHO	DO THIS	YOU SHOULD SEE	OK
1	Scrutineer	Print the results and score sheets for the event.	Each has the adjudicators' signatures.	
2	Anyone	Open the home page once the date has passed.	The competition is under Latest competitions.	
3	Athlete, Coach, Team	Open Rankings.	Standings show.	
4	Admin	Open Payments and compare with what you entered.	The totals match.
